(See rule book page 21 for complete information) A special championship class for the "Best Cochise County Bred & Fed Steer, Lamb, Hog and Goat", will be held. The intent of the award is to recognize quality herdsmanship within our county and to encourage the selection of superior quality animals available within Cochise County.

MARKET LIVESTOCK SALE

Any 4-H and FFA member who has satisfactorily completed his livestock project to date and whose animal places in the blue or red ribbon color group is eligible to sell ONE animal at the Cochise County Junior Livestock Auction. All champions, grand, reserve and bred & fed champions must sell. In addition, to be eligible to sell a market animal in the auction, the exhibitor must not have sold a market animal in any other county or community fair within the last year.

SALE ORDER

The animals will be rotated in the following order for 2018: Steer, Lamb, Hog, Goat – Champion Live, Champion Carcass, Reserve Live, Reserve Carcass, Best Bred & Fed of each; the auction would then proceed with the blue ribbon animals continuing with the rotation until all animals are sold. Species will be interspersed so that all 1st place blues, etc. will sell together and the same with the reds. Actual placing's will be listed on the sale order.

POLICY FOR SELLING ANIMALS AT THE FAIR

"For Sale" signs will not be permitted to be placed on the animals' stalls nor should any open business transactions for breeding or market livestock take place prior to the 4-H/FFA Market Livestock Auction on Sunday afternoon, with the exception of dairy goats and dairy cattle. **Any 4-H/FFA member found to be in violation of these rules will not be permitted to exhibit or sell livestock in the 4-H/FFA Division of next year's fair.**

SALE NOTIFICATION

4-H & FFA members must notify the superintendent for each market animal exhibited that they **do not** wish to sell. These must be turned into the respective superintendent as soon as possible, but no later than 9:00 a.m. on Saturday. If an exhibitor has not notified the appropriate superintendent, the superintendent has the authority to decide which animal will be sold.

COMMISSION CHARGE

A five percent commission will be deducted from the total price the 4-H or FFA member receives from both the animal and add-ons, and retained by the Cochise County Junior Livestock Auction. The commission is used for promoting and conducting the livestock sale.

Herdsmanship will be judged commencing on the opening day of the fair until the release of livestock. A \$25 cash award will be awarded to the club/chapter in the following livestock areas: Beef, Sheep, Swine, and Dairy/Pygmy Goats and Meat Goats.
