

Cochise County Fair, Department A - Field Crops & Apiary, 2019

Superintendent: Jim Simmons, 364-2745

Entries will be received on Wednesday, September 25 from 10 a.m. until 8 p.m. and on Thursday, September 26, from 7 a.m. to 9 a.m., at which time judging will begin. In any class with lot "Any other variety," more than one entry may be made in that lot provided each variety is named. If three or more entries by different exhibitors are made and named in this lot, a new lot will be added so that exhibits may be judged in their own category. Exhibits must be picked up at 5 p.m. on Sunday, September 29, but absolutely NOT BEFORE 5 p.m. Unclaimed items will remain at the Fairgrounds for a limited number of days. Fair personnel are not responsible for unclaimed items.

Field Crops: Be sure that the variety is written on the exhibitor's tags and make entry sheet and tags correspond to lot and class. For ears, stalks, or heads, enter five (5) each. Enter one (1) pint each of seeds or grains. Sheaves should not be less than two inches, nor more than five inches in diameter. Heads must have stems not more nor less than four inches and are not to be tied.

Apiary: Exhibitors may use their own labels or affix their name and lot # to the bottom of the jar or package. However, for judging purposes, one jar or package in each lot must have no label other than the identification tag. All containers must be clean and of uniform size. All honey must be in marketable shape and free of foreign matter. All combs must be new combs wrapped in heavy cellophane or be in a single frame observation hive.

PREMIUM AWARDS: First place \$3.00 Second place \$2.00

SWEEPSTAKE AWARDS: Best and largest number of entries grown and exhibited by one person. No separate exhibit required. Computed on the point system. **First place \$6.00 Second place \$4.00**
